Possible to travel to other USN campuses for meeting with USN staff.

Themes:

The 2024 staff week will focus on the theme of exchange students, outgoing mobility, how to succeed with Erasmus+, BIP, staff mobility, USN Research and KA2. You will have the chance to participate in interactive workshops, group sessions, and networking events, where you will learn from experts and peers about topics such as:

- How to promote and support outgoing mobility among your students and staff.
- How to manage and monitor the quality and recognition of mobility activities.
- How to use digital tools and platforms to facilitate and simplify mobility processes.
- How to apply for and implement Erasmus+ KA2 projects and partnerships.

Registration and fees:

We have a registration fee of 600 NOK, which includes working materials and all the meals in the program. You will need to cover your own travel and accommodation expenses. However, we encourage our partners to use Erasmus+ staff mobility funds available at their home institutions to cover their own travel and accommodation costs.

The staff week is open to staff from International Relations offices and Erasmus Offices who are involved in or interested in developing their international activities. The working language of the staff week is English.
