INTERNATIONAL STAFF WEEK E.N.G.A.G.E. 2026

We are delighted to invite your institution to collaborate with us for **E.N.G.A.G.E. Week 2026**—a dynamic academic exchange event that brings together teaching and administrative staff within the Erasmus+ framework and other programs. The physical event will take place from **May 4-8, 2026, at Ibn Haldun University, Türkiye.**

While this will be our first Erasmus+ Staff Mobility Week, Ibn Haldun University has successfully hosted numerous international events on its main campus over the past decade, welcoming thousands of participants from around the world.

Now, we are excited to bring together our current Erasmus+ partners—along with new colleagues from across the globe—on our campus for an inspiring week of exchange and collaboration.

Why Participate?

E.N.G.A.G.E. Week (Empowering Networks for Academic Development: AI, Growth, and Emotional Intelligence) offers an interactive platform where participants can:

- ✓ **Co-organize the event with us** to strengthen academic partnerships and international collaboration.

How You Can Contribute

We invite faculty and administrative staff from your institution to **deliver lectures or facilitate interactive sessions** in alignment with the event's core themes. The International Staff Week will be organized as an Erasmus+ Blended Intensive Program (BIP). We kindly ask Erasmus+ coordinators to get in touch with us.

If you are not the coordinator and would like to take part in this Staff Mobility, please contact your Institutional/Departmental coordinators to speed up the process. In the meantime, you can email us at erasmus@ihu.edu.tr to talk about the registration process before the signature of IIA.
