The University of Kragujevac is pleased to invite both academic and administrative staff from our partner universities to the 4<sup>th</sup> International Staff Week, which will take place between June 6 and June 10, 2022.

This staff week will provide the participants with the opportunity to learn more about the University of Kragujevac, its participation in the Erasmus+ program, how we and our partners deal with mobilities in times of pandemics, share success stories and best practices with other colleagues. The programme will include a wide range of activities, the main topics are oriented towards organization and realization of students and staff mobilities (student/staff support and administration, incoming/outgoing students, tools for better service, promotion, etc.) within the framework of new Erasmus program. Participants will have opportunity to network with colleagues from partner institutions both from partner and programme countries.

The participation fee for the staff week is €50, for participants from programme countries, paid on arrival, and includes conference materials, coffee breaks and meals during 4 days, an excursion, and a welcome dinner.

The first draft agenda will follow soon.
